

## Weekly Plan of Work

**Class:** Senior Infants    **Week beginning** 15<sup>th</sup> Feb- 19<sup>th</sup> Feb

### **Note from teacher:**

Hi everyone, I hope you are all doing well and are continuing to follow all the advice by the adults around you. I have put together some activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing them, there is no rush!

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. If you need to use your parents/ guardians' email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you put your name, date and title of the task in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all. Any activities that are highlighted in red will be covered in the online zoom classes.

**Note:** Our zoom sessions have changed; it will now be Tuesday 9.35-10.20; as it is midterm Thursday 18<sup>th</sup> & Friday 19<sup>th</sup> we will have no zoom sessions on Thursday. I have given you some fun activities for Thursday and Friday if you wish to do some of them at home, but it is optional, you do not have to complete them,

Please continue to do what the adults are asking you to at home as this is a tricky time for them too.

Thanks,

Ann Marie Wall    [awall@smltullow.ie](mailto:awall@smltullow.ie)

P.S If there is a subject that you do not participate in e.g., Religion please spend extra time on the Maths games and English activities provided.
