

Class: 5th Class **Week beginning:** 15th-19th February 2021

Note from teacher:

Hi everyone, I hope you are all doing well and are continuing to follow all the advice of the adults around you.

I have put together some activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing them, there is no rush!

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. If you need to use your parent/ guardian's email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you put **your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 8.50a.m.-2.50pm Monday-Wednesday and I will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them too. Try to help out at home as much as you can. Try to get out into the fresh air as much as you can also.

It is Mid-term break on Thursday 18th and Friday 19th of this week. I have included optional activities to complete on those days if you would like to complete them. No work will need to be submitted on those days.

I look forward to seeing you on zoom. We will only have 1 zoom lesson on Monday 15th this week and we will have no zoom on Thursday as it is Mid-term break.

Thank you,

Marie Turtle marieturtle@smltullow.ie
