

6TH CLASS PLAN Week beginning 25th January 2021

Hi everyone, I hope you are all doing well! We are now into our third week of online learning and you are all doing so well! I was delighted to see all of the great work coming in every day! I have put together some activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing them, there is no rush! Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you put your name, date and title of the task in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all. Please continue to do what the adults are asking you to at home as this is a tricky time for them to.

Thanks, Aisling Madden aislingmadden@smltullow.ie

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.

Mind Jar:

In our activity today we are going to explore a form of prayer called Taizé prayer.

Before we start we need to make a glitter jar.

You will need:

1 small clear jar

Water

Glitter

Method:

Fill the jar with water until it is almost full.

Add a small amount of glitter to the water.

Put the lid back on and make sure it doesn't leak.

When it is time to pray shake the jar and then place it on the table in front of you.

When we are worried our thoughts can be like the glitter in the jar after we shake it, racing around and all mixed up.

When we feel like this we can turn to God in prayer.

First of all we will still our bodies.

Settle into your seat and place both feet on the ground and your hands on your knees or on the table in front of you.

Take a deep breath.

Now we will try and still our minds.

Close your eyes.

It is hard to stop thoughts popping into our heads.

They are like the glitter in the jar floating around.

To help still our minds we are going to give it something to focus on.

Today we are going to use a phrase to remind us that God is with us.

The phrase is: 'O Lord, hear my prayer.'

Continue to repeat the phrase a number of times slowly and gently.

Sit quietly for a while repeating the phrase.

You may wish to play some gentle instrumental music in the background during this exercise.
