Giants – Dermot Kennedy

We used to be giants, when did we stop?
Just say the word and I'll be yours
You know I never forgot
The hope and the hurt has lived inside of me
But there's gold in the dirt, I never took the time to see
But I knew of its worth when you walked beside of me
And my hand fit in yours like a bird would find the breeze
We used to be giants, when did we stop?
Just say the word and I'll be yours
You know I never forgot
We were the song in the silence but time catches up
Just say the word and I'll be yours
You know I never forgot
I knew from the start, you'd be the one to set me free
That day in the park, when the hurt would hide from me
Those eyes used to know me, it's been way too long
You are the moon and the stars, and all they gaze upon
Time won't ever move slowly, what you waiting on?
What you waiting on?
Chorus
Darling, just say you will
Will you remember those times?
That I have held until
Tonight, if you say you will
I'll leave it all behind, don't you remember those times?

Chorus

We used to be giants, giants

Oh, I still love you, though

I still love you, though

6th Class Rap – Tullow Girls

Quarantine, lockdown, how can I explain?

Thought that it was finished but we're back again!

When will schools re-open, is it now or then?

I need this to be over, tell me, when, when, when?!

Stuck home, not seeing friends, tryin' to keep it cool,

Restrict all my movement and obey all the rules,

Stay within your 5k and walk to the park,

Breathe in the fresh air, helps the mind to re-spark.

Chorus

The days seem so long and we feel so far apart,

Pandemic days are tough on the mind, body, heart.

Covid is a challenge, a fight we need to win,
Keep your head and your chin up, so a new start can begin.
A year ago, just how different were our lives?
We had fun, we had laughter, we had plenty of surprise,
Doing anything we wanted, going here and going there,
We knew nothing of Corona, we hadn't got a care.
Now we can't go out, now we stay inside,
We stay home and wear masks to help the virus subside,
So keep your 2 metre distance, keep a couple of feet away,
Keep washing your hands – that's what we all say!

Chorus

I've got nowhere to go, I've got nothing to do,
Doing homework all day but I'd rather be with my crew,
This lame quarantine has me losing the plot,
With my brothers, with my sisters, everyone, it's alot!
They say Covid-19 is kinda like a flu,
But we can't take a risk, not for me, not for you,
Feels like I'm stuck, head is spinning, this virus is so cruel,
But to keep us all safe, we gotta stay in homeschool.

Chorus

Waiting for the Government to tell us what to do,
Can't see family or friends, hope we get together soon!
Wash your hands, wash your toes, forget the rashes and scars,
So soon it will be over, be a lockdown superstar!
(We gotta) bring Covid down, yeah send it on it's way
We have to prove to the virus that it just can't stay
(Repeat)
