

## **Class Rap Project Ideas**

*Can you believe it, we're in lockdown again!*

*Stay home, stay safe, stay away from your friends!*

*Home school, zoom school, classes online,*

*Whose mic is unmuted? oh wait it's mine!*

*Wash your head, wash your toes, wash your hands 'til they crack,  
So this Covid '19 won't ever come back!*

## **Pick one of these sentences and see if you can complete a verse!**

Lockdown, lockdown here we go again.....

2021, what a way to start the year, get my mind into focus, get my body  
in gear.....

Keeping washing your hands, keep two metres away.....

Staying home, staying calm, gotta keep my cool,  
Trying to keep on top of another home school.....
