

**Class:** 3<sup>rd</sup> class Ms. Brooks    **Week beginning:** 15/02/2021

**Note from teacher:**

Hi everyone,

I have put together some activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing them, there is no rush! This week our mid-term break is Thursday and Friday, however I have included activities that you can do both days but they do not need to be submitted. I will be asking you to email me some of your learning activities where possible- these will be marked with a tick in the submission box. If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you put **your name, date and title of the task** in the subject of the email to me ([stacey@smtullow.ie](mailto:stacey@smtullow.ie)) so that I know who it is and what is being submitted. I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all. Please continue to do what the adults are asking you to at home as this is a tricky time for them too. At the bottom of this page I have included the link, time and date for our Zoom meetings this week. There is a change to Mondays class, it is now on Tuesday for this week only. I know these times are strange and difficult, if there are times when you are not able to get some of the work done that is perfectly okay! Please send me some of your work as I would love to see how you are all getting on. I look forward to seeing you all on zoom on Tuesday @ 11.50am
