Class: 3rd class Mr Kavanagh Week beginning: 01/03/2021

Note from teacher:

Hey Ladies!

I have put together some activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing them, there is no rush! I will be asking you to email me some of your learning activities where possible- these will be marked with a tick in the submission box. If you need to use your parent/ guardian's email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you put <u>your name</u>, <u>date and title of the task</u> in the subject of the email to me (<u>adam@smltullow.ie</u>) so that I know who it is and what is being submitted. This week is Engineer's week so you will have a small STEM project to complete. We are also celebrating World Book Day on the 4th of March. I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all. Please continue to do what the adults are asking you to at home as this is a tricky time for them too. At the bottom of this page I have included the id, time and date for our Zoom meetings this week. Our zoom meeting will be on TUESDAYS AND THURSDAYS 12.35-1.20 I know these times are strange and difficult, if there are times when you are not able to get some of the work done that is perfectly okay! Please send me some of your work as I would love to see how you are all getting on. I look forward to seeing you all on zoom on Tuesday at 12.35!

Proud as always!

Mr. Kavanagh
