

Class: 1st Class **Week beginning:** 30th March 2020

Hi everyone,

I hope you are all doing well and are continuing to follow all the advice from the adults around you.

I have put together some revision activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember take your time doing them, there is no rush!

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box.

If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

Take breaks and work at your own pace. I will check my emails every day, please email me your work as soon as you can.

Please continue to do what the adults are asking you to at home as this is a tricky time for them to.

Thanks,

Ms. Byrne caroline@smltulloh.ie

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.
