

**Class:** 3<sup>rd</sup> Class      **Week beginning:** 30<sup>th</sup> March 2020

**Note from teacher:**

Hi everyone, I hope you are all doing well and are continuing to follow all the advice by the adults around you.

I have put together some revision activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember take your time doing them, there is no rush!

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box.

If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all. If you cannot email them to me that is fine, I understand that not everyone may have access so just do whatever it is that you can/ have access to.

Please continue to do what the adults are asking you to at home as this is a tricky time for them to.

Thanks,

**Ms. Brooks**    [stacey@smtullow.ie](mailto:stacey@smtullow.ie)

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.
