

Class: Junior Infants Week beginning: 30th March 2020

Hello Junior Infants, I hope you are all doing well and are continuing to follow all the advice given.

I have put together some revision activities for you for this week.

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me, please ensure that you put your name and title of the task in the subject of the email, so that I know who it is and what is being submitted.

Take breaks often and work at your own pace.

I will check my emails every day, please email me your work as soon as you can.

Please continue to do what the adults are asking you to, as this is a tricky time for them too.

Wishing you good health and happiness over the coming weeks.

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths and English activities.

Father in heaven, you love me, You're with me night and day. I want to love you always, In all I do and say. I'll try to please you Father. Bless me through the day. Amen. Please feel free to use any other internet resources you are aware of. I will update you with additional resources as the weeks go on. I am conscious of parents becoming overwhelmed with the vast amount of resources that are available, so keep it simple using the above links for now. The most important thing is to share experiences with your child that are fun, engaging, easy and suit your family's lifestyle, you do not need internet sites to achieve this. You are doing a great job already! Please feel free to amend the plan above to suit your home life.
