

Class: Senior Infants Ms. Wall

Week beginning: 30th March

Note from teacher:

Hi girls, I hope you are keeping well and are continuing to listen to all the adults around you. Our caterpillars are keeping well, and I had a surprise visitor this week. Tessa has arrived at my house to help me with the caterpillars but don't worry she is practicing her social distancing. I will continue to post pictures of the caterpillars on the school website so that even though we are not in school to look at them you can still see them changing into butterflies so check the website for updates.

I have put together some revision activities for you to do this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing the activities, don't rush them.

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box.

You will need help from your parent/guardians to email, and explain the activities to you. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted. Please remember for pictures to make sure that it is only a picture of your work and not of yourselves.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them to. If you need anything explained or have any questions, please do not hesitate to contact me.

Thanks,

Ann Marie Wall awall@smtullow.ie

P.S If there is a subject that you do not participate in e.g. Religion please spend extra time on the Maths games and English activities provided.

The Last Supper

Adapted from Mt 26:26-29, Mk 14:12-17, 22-24, Lk 22:7-19

There were some people who did not like Jesus. They didn't want to listen to the things he had said about God. They didn't want to share the love of God with other people. So, they decided to get rid of Jesus. They made a plan to catch him and to hand him over to the local soldiers.

Jesus knew that he was going to die, so he decided that he would eat his last Passover meal with his friends. He asked Peter and John to help him. 'Go and get the Passover meal ready for us to eat', he told them. 'Where do you want us to get it ready?' they asked him. Jesus answered, 'As you go into the city of Jerusalem, you will meet a man carrying a jar of water. Follow him into his house. Then say to the owner of the house, 'Where is the room where my friends and I will celebrate Passover?' He will show you a large room upstairs. You can get everything ready there.'

Peter and John left and made their way into the city of Jerusalem. They found everything just as Jesus had told them. And they prepared for the Passover. They decorated the room, got the food ready and set the table. They baked a special kind of bread and poured a cup of wine for each person. When everything was ready Jesus and his friends sat down. The food was shared out and everyone ate together.

As they were sitting around the table. Jesus looked around at each of his friends. He loved them very much. He said to them, 'My friends, I am glad that we are all here together. I wanted very much to eat my last meal with you.' Then he blessed the bread and wine and shared it with them. He said, 'This is my body, which will be given up for you. This is my blood, which will be poured out for you.' Jesus asked his friends to remember him by doing what he had just done. He said, 'Do this in memory of me.'
