

**Class:** 5<sup>TH</sup> Class      **Week beginning:** 20th April 2020

**Note from teacher:**

Hi everyone, I hope you are all doing well and are continuing to follow all the advice given. I have put together some revision activities for you for this week. Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box.

If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted. I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them too. Thank you and stay safe and well!

Ms. Madden

P.S If there is a subject that you do not participate in e.g Religion or Gaeilge, please spend extra time on the Maths games and English activities provided.

\* As we are living through an unprecedented historical event, it would be valuable to keep a journal of this time. Record your thoughts, feelings and experiences in a few short lines every evening and you will have a primary historical source to share in years to come! Also, try to keep aside a newspaper clipping or record of events/feelings/thoughts each week as we will be creating a time capsule when we return to school\*
