

Class: Senior Infants Ms. Wall

Week beginning 20th April

Note from teacher:

Hi girls, I hope you are keeping well and are continuing to listen to all the adults around you. I hope you all got to see the video of our butterflies being released if you didn't it is up on the school website.

I have put together some revision activities for you to do this week that I hope you will enjoy doing at home. On a Friday you can finish any activities that you might not have finished during the week. The adults around you will help you and remember to take your time doing the activities, don't rush them. Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box.

You will need to use your parent/guardians help to email and explain the activities to you. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted. **Please remember for pictures to make sure that it is only a picture of your work and not of yourselves.**

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them to. If you need anything explained or have any questions, please do not hesitate to contact me.

Thanks,

Ann Marie Wall awall@smtullow.ie

Poem: I'm a Little Sunflower

I'm a little sunflower
Look and see!
Here is my stem
And here are my leaves
When the sun comes up, I turn my head
When the sun goes down, I go to bed!

Sign of the Cross:

In the name of the Father, the Son and the Holy Spirit. Amen

Morning Prayer:

Father in heaven, you love me,
You're with me night and day.
I want to love you always,
In all I do and say.
I'll try to please you Father,
Bless me through the day.
Amen.

Night Prayer:

God our Father, I come to say,
Thank you for your love today.
Thank you for my family,
And all the friends you give to me.
Guard me in the dark of night,
And in the morning send your light.
Amen.

A House of Prayer

A long time ago, there lived a wise king, called King Soloman, who loved God. Soloman knew that God was always with him. He knew that God loved him and all the people in his kingdom. One day Soloman had an idea. He called all the people together. 'I'm going to build a great, big, house,' he said, 'where people can come together to pray. This house of prayer will be finer than any palace and bigger than any castle. It will be made of the finest stone. It will be decorated with silver, gold and diamonds, and the roof will be of precious wood.' The people all thought this was a wonderful idea. Because King Soloman wanted everything in the house of prayer to be precious, it took a long time to gather together all the things that the builders needed, perfect stones and wood, beautiful diamonds and the best silver and gold. Eventually, work began. The builders placed the blocks of stone on top of another to make walls. The walls grew higher and higher, until they almost reached the sky! Then the builders put wooden planks in place to hold the roof. They decorated the walls

with silver and gold and precious diamonds. After seven years, the work was finished, and the house of prayer was ready. All the people walked into the building together. Among them, lots and lots of musicians played songs of praise to God. When they had all come into the house of prayer, King Solomon and the people raised their hands to heaven. King Solomon prayed; 'Loving God, bless all the people who pray in this house. May it always be filled with the voices of our people, praising God.' All the people raised their voices, giving glory to God and shouting, 'Amen! Amen! Blessed be God for ever and ever!'
