

Class: 3rd Class **Week beginning:** 27th April 2020

Note from teacher:

Hi everyone, I hope you are all doing well and enjoying the lovely weather.

I am really looking forward to looking at your project work this week.

This week's work is very similar to the previous weeks. However, we are starting to introduce a small bit of new learning each week. This week the new learning is in Gaeilge and Maths. I hope you will enjoy doing them at home. The adults around you will help you and remember take your time doing them, there is no rush!

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box.

If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to do at home as this is a tricky time for them to.

Thanks,

Ms. Brooks stacey@smtulloch.ie

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.

Sign up to <https://dabledoomusic.com/p/dabledoomusic-free-trial> and folenonline.ie as a teacher: Code Prim20

Monday 27th April

Subject	Title of Task	Activity	Resource	Submission
