

**Class:**5<sup>TH</sup> Class      **Week beginning:** 27th April 2020

**Note from teacher:**

Hi everyone, I hope you are all doing well and are continuing to follow all the advice given.

I have put together some activities for you for this week. I have included some new topics this week. If you have any questions or difficulties, please contact me by email straight away, I am here to help!

I have really enjoyed receiving your emails over the past couple of weeks! If you do not have the materials to complete a task that I have set please do not worry. Just send me a picture of another task you have completed. You are more than welcome to send me pictures of any work done, I love to see what you have been up to!

Don't forget to **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them too. Try to get outside every day in the fresh air to play (if safe to do so) and take this time to learn how to do some simple household jobs.

Thank you and stay safe and well!

Ms. Madden

P.S If there is a subject that you do not participate in e.g Religion or Gaeilge, please spend extra time on the Maths games and English activities provided.

MASS ON FRIDAY ONLINE @ 9.30AM SO BE READY TO TUNE IN <https://www.churchservices.tv/augustinians>

\* As we are living through an unprecedented historical event, it would be valuable to keep a journal of this time. Record your thoughts, feelings and experiences in a few short lines every evening and you will have a primary historical source to share in years to come! Also, try to keep aside a newspaper clipping or record of events/feelings/thoughts each week as we will be creating a time capsule when we return to school\*
