

Class:5TH Class **Week beginning:** 5th May 2020

Note from teacher:

Hi everyone, I hope you are all doing well and are continuing to follow all the advice given. I also hope that you enjoyed the bank holiday weekend! As Monday is a bank holiday, I have not included any activities for that day, but rather have given work for Friday instead.

Again, I have included some new topics this week. If you have any questions or difficulties, please contact me by email straight away, I am here to help!

I am really enjoying receiving your emails! I have asked for a greater number of tasks to be submitted this week than previously, however, please just do what suits you and your family situation. On the other hand, if you want to submit extra work that is perfectly fine!

Don't forget to **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them too. Try to get outside every day in the fresh air to play (if safe to do so) and take this time to learn how to do some simple household jobs.

Thank you and stay safe and well!

Ms. Madden

P.S If there is a subject that you do not participate in e.g Religion or Gaeilge, please spend extra time on the Maths games and English activities provided.

Important reminder: Sadly, due to GDPR (General Data Protection Regulation) we are unable to retain or look at any videos or photos which show your child's face or body. This is to ensure that we adhere to all Child Protection and GDPR regulations.

MASS ON FRIDAY ONLINE @ 9.30AM SO BE READY TO TUNE IN <https://www.churchservices.tv/augustinians>

* As we are living through an unprecedented historical event, it would be valuable to keep a journal of this time. Record your thoughts, feelings and experiences in a few short lines every evening and you will have a primary historical source to share in years to come! Also, try to keep aside a newspaper clipping or record of events/feelings/thoughts each week as we will be creating a time capsule when we return to school*

Backward Bill

By Shel Silverstein

Backward Bill, Backward Bill,
He lives way up on Backward Hill,
Which is really a hole in the sandy ground
(But that's a hill turned upside down).

Backward Bill's got a backward shack
With a big front porch that's built out back.
You walk through the window and look out the door
And the cellar is up on the very top floor.

Backward Bill he rides like the wind
Don't know where he's going but sees where he's been.
His spurs they go 'neigh' and his horse it goes 'clang,'

And his six-gun goes 'gnab,' it never goes 'bang.'

Backward Bill's got a backward pup,
They eat their supper when the sun comes up,
And he's got a wife named Backward Lil,
'She's my own true hate,' says Backward Bill.

Backward Bill wears his hat on his toes
And puts on his underwear over his clothes.
And come every payday he pays his boss,
And rides off a-smilin' a-carryin' his hoss.
