

Class: Senior Infants Ms. Wall

Week beginning 5th May

Note from teacher:

Hi girls, I hope you and your family are keeping safe. I miss seeing all of you and the fun we have together in school, but we have to stay at home and be safe. I am sure you are all having lots of fun at home doing different activities. Tessa and I have had lots of fun thinking of different fun activities for you this week and we have even recorded a video for you.

As there is a bank holiday this week you have no work on Monday, but we have work Tuesday to Friday this week instead. Congratulations to Sofia Crowson, Emily Nolan & Ella Gahan for winning the Easter competition.

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted. **Please remember for pictures to make sure that it is only a picture of your work and not of yourselves.**

I am available from 9.10-2.50pm and will try to respond to you all as quickly as possible. If you have any questions please do not hesitate to contact me, I will help you in whatever way I can.

Thanks,

Ann Marie Wall awall@smltullow.ie

P.S If there is a subject that you do not participate in e.g. Religion please spend extra time on the Maths games and English activities provided. If there are activities which you are finding difficult to do at home, please do not feel any pressure just do the best that you can at home or contact me and I can give you some alternatives.

I have set up a group log on for folenonline the login details are smlseniorinfants@gmail.com password: Prim20. I will save the games and activities outlined below to the favourites bar at the top of the page for you to do.

MASS ON FRIDAY ONLINE @ 9.30AM SO BE READY TO TUNE IN

Tuesday 5th May

Subject	Title of Task	Activity	Resource	Submission
