

Class: Junior Infants **Week beginning:** 18th May 2020

Hello Girls,

This is our 5th week of distance learning and I must say I am so impressed with all the work that is being sent to me. I am so grateful to you and your wonderful parents for all the effort. Thank you from the bottom of my heart. We never knew when we started this journey together in September that we would finish the year learning from home. I hope that this time with your families will be a memory you treasure. Please remember that learning is in every task no matter how simple and that if you are doing your best, then that is good enough. Remember to be kind to yourself and others. We all have days when we feel low.

This week I have been learning to use Loom to make a video of me reading a story to you. I hope you like it. I make a few mistakes along the way but as you know mistakes are a good thing because we learn from them. Our theme this week is under the sea. I hope you enjoy the activities for this week.

Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me, please ensure that you **put your name and title of the task** in the subject of the email, so that I know who it is and what is being submitted. I will check my emails every day, please email me your work as soon as you can.

Wishing you good health and happiness over the coming weeks.

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths and English activities. **PLEASE REMEMBER THAT WE ARE UNABLE TO ACCEPT VIDEOS OR PICTURES THAT CONTAIN PICTURES OF YOUR CHILD OR THEIR SIBLINGS.**

<u>Weekly Poem : Deep Blue Sea</u>	<u>Hail Mary</u>	<u>Morning Prayer</u>	<u>Night Prayer</u>
<p>I took a dive in the deep blue sea, so many creatures swam past me!</p> <p>A father seahorse, taking care of his young, A humpback whale, a lovely song he sung.</p> <p>A playful dolphin, frolicking about, a wise old sea turtle had his head poked out.</p> <p>Then a shark came by with his teeth so white, I swam so fast until he was out of sight.</p>	<p>Hail Mary, Full of Grace, The Lord is with thee. Blessed art thou among women, and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners now, and at the hour of our death. Amen.</p>	<p>Father in heaven, you love me, You're with me night and day. I want to love you always, In all I do and say. I'll try to please you Father. Bless me through the day. Amen.</p>	<p>God our Father, I come to say Thank you for your love today. Thank you for my family, And all the friends you give to me. Guard me in the dark of night, And in the morning send your light. Amen.</p>

Please feel free to use any other internet resources you are aware of. I will update you with additional resources as the weeks go on. I am conscious of parents becoming overwhelmed with the vast amount of resources that are available, so keep it simple using the above links for now. The most important thing is to share experiences with your child that are fun, engaging, easy and suit your family's lifestyle, you do not need internet sites to achieve this. You are doing a great job already! Please feel free to amend the plan above to suit your home life.
