Note from teacher:

Hi everyone, I hope you are all doing well and are continuing to follow all the advice given.

I have put together some activities for you for this week. I have included some more new topics this week. If you have any questions or difficulties, please contact me by email straight away, I am here to help!

I am really enjoying receiving your emails! Please complete the activities to suit yourself and your family situation.

Don't forget to **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them too. Try to get outside every day in the fresh air to play and take this time to learn how to do some simple household jobs.

*****Don't forget that 5th class pupils can collect their books from the school on Tuesday 2nd June at 12 noon.*****

Thank you and stay safe and well!

Barefoot Days

by Rachel Field

In the morning, very early,
That's the time I love to go
Barefoot where the fern grows curly
And the grass is cool between each toe,
On a summer morning - O!
On a summer morning!

That is when the birds go by
Up the sunny slopes of air,
And each rose has a butterfly
Or a golden bee to wear;
And I am glad in every toe -
Such a summer morning - O!
Such a summer morning!

Sock ball dodgeball

- Make two or three small sock balls per person using one pair of socks, rolled inside each other.
- Choose a play space in your home that's free of breakable objects, or remove the breakable objects before playing. Play space can be a bedroom, living room, or any room where you're not likely to trip on obstacles and hurt yourself in the excitement.
- Two children (or a child and parent) try to hit each other with their sock balls. If you have more players, you can play any combination you want, such as two-versus-two, or three-versus-two, or even three-versus-one where the kids play against the adult.
- After each throw, opponents can pick up sock balls from the other players and throw back at them.
- Opponents are only permitted to throw from their "home base." Home base can be a sofa, a bed, or other designated space at one end of your playing area.
- Play is continuous—there is no "elimination" after being hit—just keep throwing.
