- Click on the story 'Tig at the Coast' (PDF usually works best on laptops and iPads but if not try other options to find which suits best)
- Read through the story with your daughter and ask her questions after reading each page
- Read all of the pictures (8 in total) and ask her questions based on it

Say two words

- Begin the game by having your daughter sit down
- Explain the rules: When you say two words that begin with the same sound, they should stand up as fast as they can, but stay seated if the words do not begin with the same sound
- If this is too easy, make it more difficult by changing the rules where you say three words/four words etc.
- If naming three words which don't all start with the same sound, have one word as the 'odd one out' your daughter must tell you which word is the 'odd one out'.
