

Class: 3rd Class **Week beginning:** 1st June 2020

Note from teacher:

Hi everyone, I hope you are all doing well and enjoying the lovely weather.

As you are all aware your parents can collect your books on the 3rd June @ 10am. This will make it easier for you all each week with your work.

I want to remind all the class that you are completing excellent work each week. I am very proud of each and everyone of you for your effort. As we are into June now there is only a few weeks of work left. Keep up the good work ☺

If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them to.

Thanks,

Ms. Brooks stacey@smltullow.ie

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.
