

**Class:** 2<sup>nd</sup> Class      **Week beginning:** 1<sup>st</sup> June

**Note from teacher:**

Hi everyone, I hope you all had a great weekend.

Due to the long weekend, there will only be work for Wednesday - Friday. Also, there are less worksheets attached with the plan as most of the work I have assigned can be found in your child's workbooks, If you feel your child is able to do more work than the amount assigned, feel free to get you child to go back through her workbooks, and complete any work that may not be completed.

As always, I will be asking you to email me **one - two pieces of work each day** - these activities will be marked 'yes' in the submission box. Also, feel free to email me any other pieces of work that you are working on at home or that you feel you have worked extra hard on, I am always delighted to view your work, and send you some feedback on it.

**N/B: When sending pictures of work, please make sure that it is a picture or video of the work only. Due to GDPR (General Data Protection Regulations) we will be unable to retain or look at any videos or pictures which show your child's face or body. This is to ensure that we adhere to all Child Protection and GDPR regulations.**

Thanks,

Ms. Kennedy [rebecca@smltullow.ie](mailto:rebecca@smltullow.ie)

Ms. O' Reilly [sarah@smltullow.ie](mailto:sarah@smltullow.ie)

If there is a subject that you do not participate in e.g. Religion please spend extra time on the Maths games and English activities provided.
