

Weekly Plan

Class: First Class **Week beginning:** 18th January 2021

Note from teacher:

Hi everyone, I hope you are all doing well and are continuing to follow all the advice by the adults around you.

I hope that you are managing the workload ok. Please make sure to do your **very best with** each activity, I will ask that you make sure to **read every single day** and practice your tricky words if you need to. It is also extremely important that we learn our **spellings and tables daily**. I have attached a sheet of Maths activities with this week's plan! These are simple activities that **we do every day in school**, so you will be familiar with them. You can do these at any time of the day. I have also included the link to Maths **Game 'Ten at Ten'**. If you have extra time, it would be great to practice some dictation, where an adult calls out a simple sentence and you must write it down, just like we did in our sentences copy. I have also attached a '**Narrative Planning**' sheet which can be printed off for our **Zoom call on Thursday**. If you do not have access to a printer, that is **no problem**. The girls can divide a page of their copy or a blank page into 3 parts so it looks just like the printable page! I have put together some new activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember, take your time doing them, there is no rush! Please make sure to read over our '**Netiquette**' rules **before** our next Zoom call. I think you all did a great job on our previous calls and I look forward to seeing you all again.

Stay safe and keep washing those hands!

Thanks,

Ms. O'Brien roisin@smltullow.ie

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.

Zoom Meetings date and time:

1. Tuesday January 19th at 11.30 am

Topic: FIRST CLASS Ms. O'Brien 19th January
Time: Jan 19, 2021 11:30 AM London
<https://zoom.us/j/99199544329?pwd=OUN4anNTVjBIZVVZNDZFLQnJESFZHUT09>
Meeting ID: 991 9954 4329
Passcode: FIRST1

2. Thursday January 21st at 11.30 am

Topic: FIRST CLASS Ms. O'Brien 21st January
Time: Jan 21, 2021 11:30 AM London
<https://zoom.us/j/97363855040?pwd=a2d5S055OHlzdDFaK09UemFVZ1FDZz09>
Meeting ID: 973 6385 5040
Passcode: FIRST1

Subject	Title of Task	Activity	Resource	Submission
English	Reading Writing Phonics: Magic e	-Learn spellings : Group 10 'ss/ zz' words: 1. ox 2. run 3. from. Music	Let's dance!	Choose your favourite song and make up a dance. Be as creative as you can! Don't forget to sing along and have some fun with it!	Your favourite song and your creative dance moves.	No

Blessings:

A Solid Rock
There is no Rock like our God.
1 Samuel 2:2, NIV

Do you like to collect rocks? Rocks come in all different sizes, and they're pretty amazing. Have you ever tried to break one? They're really strong. Big rocks are great to stand on when you want to see higher or sit on when you need to rest. That's why the Bible calls God a rock. God is incredibly strong, and he's always there when we need him. Pretty amazing!

God is our rock. He's solid and strong.
Whenever we trust him, we'll never go wrong.

Peekaboo
People look at the outside of a person, but the Lord looks at the heart.
1 Samuel 16:7, ICB

What's the first thing people see when they look at you? Your freckles? Your curly hair? Your big smile? Whatever people see when they look at you, it's only a little piece of what makes you you. But when God looks at you, he sees everything about you, like how friendly or smart or kind you are. Most of all, God sees the wonderful person he made. And that's what he loves most.

God sees inside me, he sees in my heart.
To him I am wonderful, lovely, and smart!

Narrative Planning Sheet

Title: _____

	Characters: (Who?)	Setting: (Where?)
Beginning	Picture	Sentence
Middle	Picture	Sentence
End	Picture	Sentence

Daily Maths Activities

1. Count forward from 0 - 100 (out loud)
2. Count backwards from 30-0 (out loud)
3. Find the number that is one more, one less than a number E.g 1 more than 16 = 17 1 less than 16 = 15
4. Count in 2's 5's 10's and 20's out loud (walk and talk, walk and clap - just like we do at school!)
5. Write out the numbers that add up to 10 $9 + 1$ $8 + 2$ $10 + 0$ **etc**
6. Write out and say your **doubles** $2 + 2 = 4$ $6 + 6 = 12$ $7 + 7 = 14$ **etc**
7. Practice adding 3 numbers (remember to look for doubles, near doubles and numbers that add to ten)
8. Say your **odd and even numbers** from 0- 20 (even numbers end in 2 4 6 8 0, odd numbers end in 1 3 5 7 9)
9. Say what day it is today, tomorrow and yesterday
10. Say your **days of the week**
11. Say your **months of the year and the seasons**
12. Write down today's day, date, month, season and year! Remember it is **2021** now!!!!
13. Write a sentence about the weather
14. Write down your birthday (date, month, season)
15. Look at a calendar at home and discuss. How many days in the month? How many Mondays? How many Fridays?
16. Find the missing number $4 + ? = 10$ Count forward to find the answer
17. Look at money, examine some coins at home. Count the coins! Make amounts using the coins!
18. Practice tens and units using lego
19. Link to Topmarks daily 10 game: <https://www.topmarks.co.uk/maths-games/daily10>
20. **TABLES TABLES TABLES! Keep practicing!**
