

Class: 3rd Class **Week beginning:** 8th June 2020

Note from teacher:

Hi everyone, I hope you are all doing well. I hope you enjoyed the June bank holiday.

Now that you all have your books we will use them for work this week. I am going to ease off on the amount of work this week as you have all worked so hard.

If you need to use your parent/ guardians email to do this that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you **put your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted.

I will check my emails every day but is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm and will try to respond to you all.

Please continue to do what the adults are asking you to at home as this is a tricky time for them to.

Thanks,

Ms. Brooks stacey@smtulloch.ie

P.S If there is a subject that you do not participate in e.g Religion please spend extra time on the Maths games and English activities provided.
