

Class: Fourth Class **Week beginning:** Monday the 11th of January, Hi everyone,

Hope you are all well ☺

I hope you had a lovely Christmas and best wishes for a happy and healthy 2021. I have put together some activities for you for this week that I hope you will enjoy doing at home. The adults around you will help you and remember to take your time doing them, there is no rush and no pressure. Some activities I will not be collecting, however for others I will be asking you to email me some of your learning where possible- these will be marked YES in the submission box. Do what you can! If you need to use your parent/ guardians email that is perfectly fine. In order to submit a picture/ sound clip or document to me please ensure that you put **your name, date and title of the task** in the subject of the email to me so that I know who it is and what is being submitted. I will check my emails but it is your responsibility to email these to me each day or as soon as you can! I am available from 9.10-2.50pm I will try to respond to you all. Please continue to do what the adults are asking you to at home as this is a tricky time for them too. Thanks for your support, I am so proud of you all for trying your best during these strange times.

The story of Cúchulainn.

When Cuchulainn was young he had a different name, Setanta. This is the story of how he became Cuchulainn. He was a great hurling player and one day he was playing when the king and others were going to a feast at Culainn's. He said he would follow them when he had finished. Later that night he set off. It was a long trip. He got to the fort and found a wolfhound guarding it. The wolfhound leapt at Cuchulainn trying to attack and kill him. What could Setanta do?? All he had with him was his hurley stick and sliotar (ball). The dog advanced on Setanta and so he swung his hurley and hit his sliotar. He gave it a mighty whack and the sliotar flew into the hound's mouth. This, of course, choked the dog and Setanta was standing over it, when all the guests came out to see what had happened. 'What shall I do now?' asked Culainn. 'Who will guard my fort?' 'I will' replied Setanta. He promised to stay and guard the fort for Culainn 'til a new dog had been trained in. The Gaelic for hound is 'Cú' and so Setanta became known as 'Cuchulainn' - the hound of Culainn.
