

EARLY CHILDHOOD PROGRAMME SING, SAY, MOVE, PLAY – JUNIOR INFANTS TO 1ST CLASS

Hi everyone!

Hope that you're doing well at home – have you been enjoying the good weather? Did anyone in your family teach you a song or a rhyme from when they were little?

If you start with your Hello video as you do every week and then, we have prepared lots of new activities for you - Carrie and Mylo are back together, Ali is exploring Spring sounds with her voice, Elspeth has a hand-clapping game to share, Marian is making music inspired by the birds in her garden and there's more!

Enjoy your music class!

2. Listen to the birds outside your window and draw a picture of what you think they're doing! Are they singing about the weather? Are they building a nest? Are they having a chat with their friends? Are they flying to an important job they have to do???
