

EARLY CHILDHOOD PROGRAMME SING, SAY, MOVE, PLAY – JUNIOR INFANTS TO 1ST CLASS

Hello musicians!

Hope you are doing well at home and you enjoyed your music class last week. Did you have music outside? Did you listen to the birds where you live? They certainly are full of music at the minute! Maybe you made your own paper bird and had lots of fun making it sing and fly!

This week we have some more bird inspired music activities for you – Elspeth is using her body to move and become lots of different birds, and Ali has a funny song about a Goonie bird and her SEVEN chicks! You can relax and enjoy a beautiful walk through the woods with Carrie and practise your breathing with Ali – these videos will help you feel calm and relaxed whenever you need to. Marian is teaching a beautiful Spanish song that first uses body percussion and then kitchen percussion that you can make yourself! To finish your class, Mylo is back with Carrie and you and your family can sing 'You Are My Sunshine' with us!

Happy music-making!

Ali, Marian, Elspeth, Carrie

OFFLINE MUSIC ACTIVITIES:

1. If you have a radio, turn on a music station (you could try a classical station, a country station, a pop station) and listen! Move! Dance!
2. Could you have a family jamming session?? Grab something that makes a sound and pretend you're in a band! Who is the singer of the band, is it you? Who is the drummer? Are you a rock band? Do you play slow songs or fast songs?

We would love to hear from you and see your music-making!
